PBA Endorsed Trade Program Suggested Masonry Tool & Equipment Inventory

Suggested Units*	Tool Description	# In inventory

* Schools may require students to purchase an inventory of hand tools throughout the course of their training in lieu of providing the tools for training purposes. Schools should have a list of these tools and provide the list to the students prior to enrollment. The number of units is suggested.

Programs should supply or require students to have personal safety equipment appropriate to the program including eye, ear and head protection, footwear, gloves, safety harnesses etc.
